Interleukin-12, HEK, human recombinant (rHuIL-12-HEK)

Catalog No: 99870

Lot No: XXXXX

Source: HEK293

Synonyms: NKSF, CTL maturation factor (TCMF), Cytotoxic lymphocyte maturation factor (CLMF), TSF, Edodekin-alpha, IL-12

Background

IL-12 is a heterodimeric cytokine that stimulates the production of interferon gamma from T-cells and natural killer cells, and also induces differentiation of Th1 helper cells. IL-12 is an initiator of cell-mediated immunity.

Description

Interleukin-12 human recombinant produced in HEK cells is a glycosylated heterodimer, having a total molecular weight of 57 kDa. IL12 is purified by proprietary chromatographic techniques.

Physical Appearance

Sterile filtered white lyophilized (freeze-dried) powder.

Formulation

The IL-12 was lyophilized from a 0.2 µm filtered solution containing 1xPBS.

Solubility

It is recommended to reconstitute the lyophilized Interleukin-12 in sterile PBS containing 0.1% endotoxin-free recombinant HSA.

Stability

Lyophilized IL-12, although stable at room temperature for 3 weeks, should be stored desiccated below -18°C. Upon reconstitution IL-12 should be stored at 4°C between 2-7 days and for future use below -18°C. For long term storage it is recommended to add a carrier protein (0.1% HSA or BSA). Please prevent freeze-thaw cycles.

Purity

Greater than 95% as determined by SDS-PAGE.

Amino Acid Sequence

IL-12 is a heterodimer of IL-12A and IL-12B linked through a disulfide-bond between cysteines in the sequences below.

IL-12 A:

RNLPVATPDP GMFPCLHHSQ NLLRAVNML QKARQTLEFY PCTSEEIDHE DITKDKTSTV EACLPLELTK NESCLNSRET SFITNGSCLA SRKTSFMMAL CLSSIYEDLK MYQVEFKTMN AKLLMDPKRQ IFLDQNMLAV IDELMQALNF NSETVPQKSS LEEPDFYKTK IKLCILLHAF RIRAVTIDRV MSYLNAS

SIE HABEN DIE VISION,
WIR HABEN DIE SUBSTANZ.

Activity

The specific activity was determined by the dose-dependent release of IFN-gamma from the human NK92 cell line in presence of 20 ng/ml rIL-2. The ED₅₀ is 0.5 ng/ml.

Usage

This product is offered by Biomol for research purposes only. Not for diagnostic purposes or human use. It may not be resold or used to manufacture commercial products without written approval of Biomol GmbH.
