Product Information

AROS Polyclonal Antibody (aa 1-50)

Item No. 13496

Contents:	This vial contains 100 µg of protein A-purified IgG in 200 µl PBS containing 0.05% BSA and 0.05% sodium azide.
Antigen:	Synthetic peptide from human AROS within the region of amino acids 1-50
Host:	Rabbit
Cross Reactivity:	(+) Human AROS
Storage:	≤6 months at 4°C; ≥6 months at -20°C
Applications:	The recommended starting dilution for western blot is 2-4 µg/ml.

AROS, a nucleolar protein with an unknown function, interacts with extraribosomal protein RPS19, playing a role in the signaling pathways that regulate rRNA transcription. The deduced amino acid sequence of AROS, derived from cDNA, defines an isoelectric point of 11.3. No known functional motifs were found in AROS except a short polylysine tract embedded in a putative nucleolar localization signal. At a basal level the protein is expressed ubiquitously with a significantly high level of expression in some tissues. Human AROS gene is mapped to chromosome 22q13.1.

SAFETY DATA

This material should be considered hazardous until information to the contrary becomes available. Do not ingest, swallow, or inhale. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. This information contains some, but not all, of the information required for the safe and proper use of this material. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY

Cayman Chemical Company makes **no warranty or guarantee** of any kind, whether written or oral, expressed or implied, including without limitation, any warranty of fitness for a particular purpose, suitability and merchantability, which extends beyond the description of the chemicals hereof. Cayman warrants only to the original customer that the material will meet our specifications at the time of delivery.

Cayman will carry out its delivery obligations with due care and skill. Thus, in no event will Cayman have any obligation or liability, whether in tort (including negligence) or in contract, for any direct, indirect, incidental or consequential damages, even if Cayman is informed about their possible existence.

This limitation of liability does not apply in the case of intentional acts or negligence of Cayman, its directors or its employees.

Buyer's exclusive remedy and Cayman's sole liability hereunder shall be limited to a refund of the purchase price, or at Cayman's option, the replacement, at no cost to Buyer, of all material that does not meet our specifications.

Said refund or replacement is conditioned on Buyer giving written notice to Cayman within thirty (30) days after arrival of the material at its destination. Failure of Buyer to give said notice within thirty (30) days shall constitute a waiver by Buyer of all claims hereunder with respect to said material.

For further details, please refer to our Warranty and Limitation of Remedy located on our website and in our catalog.
