PRODUCT INFORMATION

AY 9944

Item No. 14611

CAS Registry No.: 366-93-8
Formal Name: *trans*-N¹,N⁴-bis[(2-chlorophenyl)methyl]-1,4-cyclohexanedimethanamine, dihydrochloride
MF: C₂₂H₂₈Cl₂N₂ • 2HCl
FW: 464.3
Purity: ≥98%
UV/Vis.: λ_{max}: 212 nm
Supplied as: A crystalline solid
Storage: -20°C
Stability: ≥4 years

Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.

Laboratory Procedures

AY 9944 is supplied as a crystalline solid. AY 9944 is soluble in organic solvents such as ethanol and DMSO, which should be purged with an inert gas. The solubility of AY 9944 in these solvents is approximately 10 mg/ml when briefly exposed to high temperature.

Organic solvent-free aqueous solutions of AY 9944 can be prepared by directly dissolving the crystalline solid in aqueous buffers. AY 9944 is sparingly soluble in aqueous solutions. To enhance aqueous solubility, dilute the organic solvent solution into aqueous buffers or isotonic saline. If performing biological experiments, ensure the residual amount of organic solvent is insignificant, since organic solvents may have physiological effects at low concentrations. We do not recommend storing the aqueous solution for more than one day.

Description

AY 9944 prevents cholesterol biosynthesis by inhibiting the 7-dehydro cholesterol Δ⁷-reductase (DHCR7) enzyme (IC₅₀ = 13 nM), which interferes with the conversion of 7-dehydro cholesterol (Item No. 14612) to cholesterol.^{1,2} Furthermore, by upregulating the expression of DHCR7, AY 9944 can block Hedgehog signaling at the level of Smoothened or by loss of Suppressor of Fused.³ AY 9944 inhibition of DHCR7 has been used to recapitulate phenotypes of Smith-Lemli-Opitz syndrome, a disorder brought about by mutations in the *DHCR7* gene, in animal models.^{2,4} However, AY 9944 is highly teratogenic, producing congenital defects in offspring when fed to pregnant animals.⁵

WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
