PRODUCT INFORMATION

RHC-80267

Item No. 16432

CAS Registry No.: 83654-05-1
Formal Name: 1,1'-[O,O'-[1,6-hexanediylbis(iminocarbonyl)]dioxime]
Synonym: U-57908
MF: C₂₀H₃₄N₄O₄
FW: 394.5
Purity: ≥95%
Supplied as: A crystalline solid
Storage: -20°C
Stability: ≥2 years

Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.

Laboratory Procedures

RHC-80267 is supplied as a crystalline solid. A stock solution may be made by dissolving the RHC-80267 in the solvent of choice. RHC-80267 is soluble in organic solvents such as ethanol, DMSO, and dimethyl formamide (DMF), which should be purged with an inert gas. The solubility of RHC-80267 in ethanol and DMSO is approximately 5 mg/ml and approximately 15 mg/ml in DMF.

RHC-80267 is sparingly soluble in aqueous buffers. For maximum solubility in aqueous buffers, RHC-80267 should first be dissolved in DMF and then diluted with the aqueous buffer of choice. RHC-80267 has a solubility of approximately 0.5 mg/ml in a 1:1 solution of DMF:PBS (pH 7.2) using this method. We do not recommend storing the aqueous solution for more than one day.

Description

RHC-80267 is an inhibitor of diacylglycerol lipase (DAGL; IC₅₀ = 4 μM for the canine platelet enzyme).¹ It also inhibits the serine hydrolases KIAA1363, fatty acid amide hydrolase (FAAH), BAT5, phospholipase A₂ (PLA₂), hormone-sensitive lipase (HSL), and acetylcholinesterase (AChE) by greater than 60% when used at a concentration of 50 μM.² RHC-80267 (0.1-10 μM) potentiates ACh-induced relaxation of isolated rat mesenteric arteries.³

WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the [complete](#) Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
