PRODUCT INFORMATION

PNU 282987

Item No. 17424

CAS Registry No.: 711085-63-1

Formal Name: N-(3R)-1-azabicyclo[2.2.2]oct-3-yl-4-chloro-benzamide

MF: C₁₄H₁₇ClN₂O

FW: 264.8

Purity: ≥98%

UV/Vis.: λ_{max}: 237 nm

Supplied as: A crystalline solid

Storage: -20°C

Stability: As supplied, 2 years from the QC date provided on the Certificate of Analysis, when stored properly

Laboratory Procedures

PNU 282987 is supplied as a crystalline solid. A stock solution may be made by dissolving the PNU 282987 in the solvent of choice. PNU 282987 is soluble in organic solvents such as ethanol, DMSO, and dimethyl formamide, which should be purged with an inert gas. The solubility of PNU 282987 in these solvents is approximately 20, 30, and 10 mg/ml, respectively.

Further dilutions of the stock solution into aqueous buffers or isotonic saline should be made prior to performing biological experiments. Ensure that the residual amount of organic solvent is insignificant, since organic solvents may have physiological effects at low concentrations. Organic solvent-free aqueous solutions of PNU 282987 can be prepared by directly dissolving the crystalline solid in aqueous buffers. The solubility of PNU 282987 in PBS, pH 7.2, is approximately 5 mg/ml. We do not recommend storing the aqueous solution for more than one day.

Description

PNU 282987 is a potent agonist of α7-containing neuronal nicotinic acetylcholine receptors (nAChRs; K_i = 26 nM for the rat receptor).¹ It has negligible activity against α1β1γδ and α3β4 nAChRs as well as a panel of monoamine, muscarinic, glutamate, and GABA receptors, except 5-HT₃ (K_i = 930 nM).¹ PNU 282987 evokes whole-cell currents from cultured rat hippocampal neurons and enhances GABAergic synaptic activity when applied to hippocampal slices.²

WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the [complete](#) Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
