# PRODUCT INFORMATION

## L-Iduronic Acid (sodium salt)

Item No. 21066

CAS Registry No.: 61199-83-5

Formal Name: L-iduronic acid, monosodium salt

Synonyms: L-IdoA, L-Idopyranosiduronic Acid, L-Iduronate

MF: C<sub>6</sub>H<sub>9</sub>O<sub>7</sub> • Na

FW: 216.1

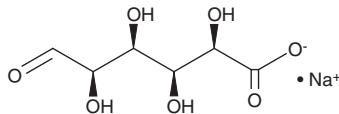

Purity: ≥95%

Supplied as: A solid

Storage: -20°C

Stability: ≥2 years

Item Origin: Synthetic

*Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.*

### Laboratory Procedures

L-Iduronic acid (sodium salt) is supplied as a solid. A stock solution may be made by dissolving the L-Iduronic acid (sodium salt) in the solvent of choice, which should be purged with an inert gas. L-Iduronic acid (sodium salt) is slightly soluble in methanol (warmed).

L-Iduronic acid (sodium salt) is slightly soluble in aqueous solutions. To enhance aqueous solubility, dilute the organic solvent solution into aqueous buffers or isotonic saline. If performing biological experiments, ensure the residual amount of organic solvent is insignificant, since organic solvents may have physiological effects at low concentrations. We do not recommend storing the aqueous solution for more than one day.

### Description

L-Iduronic acid is an epimer of glucuronic acid and a monosaccharide component of glycosaminoglycans (GAGs), including heparin and chondroitin sulfate B, found on the outer cell membrane.<sup>1</sup> L-Iduronic acid is conformationally flexible, which allows it to bind metal ions and may be important for the antithrombotic activity of heparin.<sup>2,3</sup> Iduronic acid-containing GAGs are selectively bound by basic fibroblast growth factor (bFGF), which prevents infection of Hep-2 cells with respiratory syncytial virus (RSV) *in vitro*.<sup>1</sup>

#### WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

#### SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

#### WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
