PRODUCT INFORMATION

Nalanthalide

Item No. 29724

CAS Registry No.: 145603-76-5
Formal Name: 3-[[[(1R,4aR,5S,6S,8aR)-6-(acetyloxy)decahydro-5,8a-dimethyl-2-methylene-5-(4-methyl-3-penten-1-yl)-1-naphthalenyl]methyl]-2-methoxy-5,6-dimethyl-4H-pyran-4-one

Synonym: (-)-Nalanthalide

MF: C₃₀H₄₄O₅

FW: 484.7

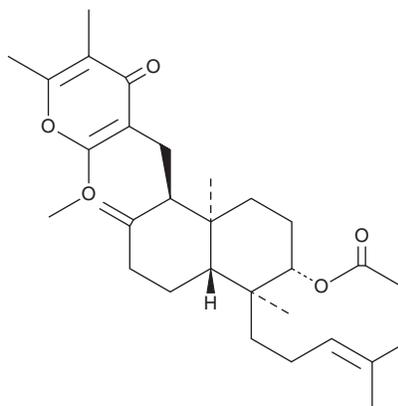

Purity: ≥70%

Supplied as: A solid

Storage: -20°C

Stability: ≥2 years

Item Origin: Fungi/Unidentified

Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.

Laboratory Procedures

Nalanthalide is supplied as a solid. A stock solution may be made by dissolving the nalanthalide in the solvent of choice, which should be purged with an inert gas. Nalanthalide is soluble in organic solvents such as ethanol, methanol, dichloromethane, and DMSO.

Description

Nalanthalide is a diterpenoid pyrone fungal metabolite that has been found in *Nalanthamala* and has potassium channel inhibitory and antiviral activities.¹ It inhibits binding of the potassium channel inhibitor charybdotoxin (Item No. 24115) to Jurkat cell membranes (IC₅₀ = 3 μM) and inhibits rubidium efflux from CHO cells expressing the voltage-gated potassium (K_v) channel K_v1.3 (IC₅₀ = 3.9 μM). Nalanthalide depolarizes T cells *in vitro* with an EC₅₀ value of 500 nM. It also inhibits HIV-1 integrase activity with IC₅₀ values of 10 and 25 μM in coupled and strand transfer assays, respectively.²

WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
