# PRODUCT INFORMATION

## ATN-161 (trifluoroacetate salt)

Item No. 34056

CAS Registry No.: 904763-27-5

Formal Name: 1-acetyl-L-prolyl-L-histidyl-L-seryl-L-cysteinyl-L-aspartamide, monotrifluoroacetate salt

Synonyms: Ac-PHSCN-NH<sub>2</sub>, PHSCN Peptide

MF: C<sub>23</sub>H<sub>35</sub>N<sub>9</sub>O<sub>8</sub>S • CF<sub>3</sub>COOH

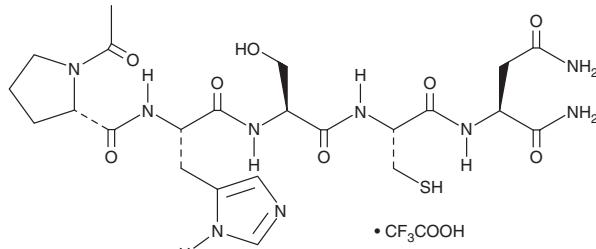

FW: 711.7

Purity: ≥95%

Supplied as: A crystalline solid

Storage: -20°C

Stability: ≥4 years

Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.

### Laboratory Procedures

ATN-161 (trifluoroacetate salt) is supplied as a crystalline solid. Aqueous solutions of ATN-161 (trifluoroacetate salt) can be prepared by directly dissolving the crystalline solid in aqueous buffers. The solubility of ATN-161 (trifluoroacetate salt) in PBS (pH 7.2) is approximately 1 mg/ml. We do not recommend storing the aqueous solution for more than one day.

### Description

ATN-161 is a peptide derived from fibronectin and an integrin αVβ3 and αVβ5 antagonist.<sup>1</sup> It binds to αVβ3 and αVβ5 receptors ( $K_d$ s = 0.69 and 1 μM, respectively) in MDA-MB-231 breast cancer cells, as well as inhibits the interaction between αVβ5 and human angiotensin-converting enzyme 2 (ACE2) or severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) spike protein in a concentration-dependent manner in cell-free assays.<sup>1,2</sup> ATN-161 reduces viral titers in Vero E6 cells infected with SARS-CoV-2 ( $EC_{50}$  = 3.16 μM).<sup>2</sup> It inhibits VEGF-induced migration and capillary tube formation of primary human choroidal endothelial cells when used at a concentration of 0.1 μM.<sup>3</sup> ATN-161 (1 mg/kg) reduces tumor growth and metastasis in an MDA-MB-231 mouse xenograft model and infarct volume and edema in a mouse model of ischemic stroke induced by middle cerebral artery occlusion (MCAO).<sup>1,4</sup>

#### WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

#### SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

#### WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
