PRODUCT INFORMATION

eNOS Blocking Peptide

Item No. 360881

Overview and Properties

Contents:	This vial contains 200 µg of peptide.
Synonyms:	Endothelial Nitric Oxide Synthase, NOS III, ecNOS
Form:	Liquid
Storage:	-20°C (as supplied)
Storage Buffer:	200 µl TBS, pH 7.4, containing 0.1% BSA and 0.02% sodium azide
Stability:	≥1 year

Procedures

This vial contains 200 µg of peptide in 200 µl TBS, pH 7.4, containing 0.1% BSA and 0.02% sodium azide. The peptide is derived from the human endothelial nitric oxide synthase (eNOS) sequence (human eNOS amino acids 1,186-1,203; RGAVPWAFDPPGSDTNS). This blocking peptide can be used in conjunction with Cayman's Polyclonal Antiserum (Item No. 160880) to block protein-antibody complex formation during immunochemical analysis of eNOS.

To block antibody/protein complex formation, the following procedure is recommended:

1. Mix the eNOS Polyclonal Antiserum (Item No. 160880) and blocking peptide together in a 1:1 (v/v) ratio in a microfuge tube. For example, mix 20 µl of antibody and 20 µl of peptide.*
2. Incubate for one hour at room temperature with occasional mixing prior to further dilution and application of the mixture to the immunoblot.
3. Dilute the mixture to the final working antibody concentration and apply to the slide or membrane as usual.

*This is a recommended mixture. The minimum amount of peptide needed for complete blocking has not been precisely determined and may vary depending on the sample being analyzed. The amount of peptide required may need to be increased if sufficient blocking does not occur.

WARNING
THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

SAFETY DATA
This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY
Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
