## Biotin Mouse Anti-Rat Granulocytes

### **CL89152B**

**DESCRIPTION:** Cedarlane's **CL89152B** detects all rat granulocytes in frozen rat tissue sections. The antigen is localized on the cell surface. The epitope has not been further characterized.

**Antigen Distribution:**

**Isolated Cells:**

Only a low percentage of cells from peripheral blood stains positive. Positive on peritoneal cells 18h after thioglycollate injection (95% granulocytes). Negative on peritoneal cells 4 days after thioglycollate injection.

Negative on isolated lymphocytes, monocytes, erythrocytes, and platelets.

**PRESENTATION:** 150 µg, affinity purified, biotinylated, lyophilized. Reconstitute in 0.5 ml distilled water. This stock solution contains 0.3 mg/ml IgG, PBS (pH 7.2), 10 mg/ml bovine serum albumin (BSA) as a stabilizer, and 0.01% Thimerosal as a preservative.

**SPECIFICITY:** Detects rat pan granulocytes. It is negative for human.

**CLONE:** RK-4

**ISOTYPE:** Mouse IgG1

**APPLICATIONS:** Tested for immunohistochemistry (IHC); has been described to work in FACS.

**WORKING DILUTIONS:** Frozen sections: 0.75 µg/ml (1:400).

Paraffin sections: does not react on routinely processed paraffin sections.  
For FACS, 1:50 to 1:100.

Positive control: Rat spleen, blood smears

**STORAGE/STABILITY:** Original vial: 1 year at 4-8°C.

Stock solution or aliquot: 1 year at -20°C. Avoid repeated freeze/thaw.

**IMMUNOGEN:** Peritoneal cells.

e-mail: service@cedarlanelabs.com

**TISSUE STAINING:**

**RK-4 reaction pattern:**

<i>Tissues Tested</i>	<i>Results</i>
Bone Marrow	positive on granulocytes positive on granulocyte precursors positive on segmented cells positive on band cells positive on metamyelocytes positive on myelocytes
Lung	negative on alveolar macrophages; interstitial tissues are occasionally positive.
Kidney	negative; on perivascular granulocytes occasionally positive.
Skin	negative; on perivascular granulocytes occasionally positive.
Liver	negative; on perivascular granulocytes occasionally positive.
Blood vessel wall	negative
