

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

# Mouse glucoprotein 130, gp130 ELISA KIT

|                      |                                                                                                          |
|----------------------|----------------------------------------------------------------------------------------------------------|
| Product Code         | CSB-E04572m                                                                                              |
| Abbreviation         | IL6ST                                                                                                    |
| Uniprot No.          | Q00560                                                                                                   |
| Product Type         | ELISA Kit                                                                                                |
| Immunogen Species    | Mus musculus (Mouse)                                                                                     |
| Sample Types         | serum, plasma, tissue homogenates                                                                        |
| Detection Range      | 78 pg/mL - 5000 pg/mL                                                                                    |
| Sensitivity          | 19.5 pg/mL                                                                                               |
| Assay Time           | 1-5h                                                                                                     |
| Sample Volume        | 50-100ul                                                                                                 |
| Detection Wavelength | 450 nm                                                                                                   |
| Lead Time            | 3-5 working days after you place the order, and it takes another 3-5 days for delivery via DHL or FedEx. |
| Research Area        | Others                                                                                                   |
| Target Names         | Il6st                                                                                                    |
