

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

# Human 3-hydroxyacyl-CoA dehydrogenase type-2(HSD17B10) ELISA kit

|                              |                                                                                                          |
|------------------------------|----------------------------------------------------------------------------------------------------------|
| Product Code                 | CSB-EL010767HU                                                                                           |
| Abbreviation                 | HSD17B10                                                                                                 |
| Protein Biological Process 1 | Transcription/Transcription regulation                                                                   |
| Uniprot No.                  | Q99714                                                                                                   |
| Product Type                 | ELISA Kit                                                                                                |
| Immunogen Species            | Homo sapiens (Human)                                                                                     |
| Sample Types                 | tissue homogenates, cell lysates.                                                                        |
| Detection Range              | 15.625 pg/ml- 1000pg/ml                                                                                  |
| Sensitivity                  | 3.9 pg/ml                                                                                                |
| Assay Time                   | 1-5h                                                                                                     |
| Sample Volume                | 50-100ul                                                                                                 |
| Detection Wavelength         | 450 nm                                                                                                   |
| Lead Time                    | 3-5 working days after you place the order, and it takes another 3-5 days for delivery via DHL or FedEx. |
| Research Area                | Others                                                                                                   |
| Target Names                 | HSD17B10                                                                                                 |
| Tag Info                     | quantitative                                                                                             |
| Protein Length               | Sandwich                                                                                                 |
| Msds                         | {"0":{"fileurl":"https://www.cusabio.com/uploadfile/msds/MSDS CSB-EL010767HU.pdf","filename":"MSDS"}}    |
