

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

### SZABO-SCANDIC HandelsgmbH

Quellenstraße 110, A-1100 Wien

# Human Sortilin-related receptor(SORL1) ELISA kit

|                                     |                                                                                                          |
|-------------------------------------|----------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>                 | CSB-EL022411HU                                                                                           |
| <b>Abbreviation</b>                 | SORL1                                                                                                    |
| <b>Protein Biological Process 1</b> | Biosynthesis/Metabolism                                                                                  |
| <b>Uniprot No.</b>                  | Q92673                                                                                                   |
| <b>Product Type</b>                 | ELISA Kit                                                                                                |
| <b>Immunogen Species</b>            | Homo sapiens (Human)                                                                                     |
| <b>Sample Types</b>                 | serum, plasma, tissue homogenates                                                                        |
| <b>Detection Range</b>              | 7.8 ng/ml- 500ng/ml                                                                                      |
| <b>Sensitivity</b>                  | 1.95 ng/ml                                                                                               |
| <b>Assay Time</b>                   | 1-5h                                                                                                     |
| <b>Sample Volume</b>                | 50-100ul                                                                                                 |
| <b>Detection Wavelength</b>         | 450 nm                                                                                                   |
| <b>Lead Time</b>                    | 3-5 working days after you place the order, and it takes another 3-5 days for delivery via DHL or FedEx. |
| <b>Research Area</b>                | Signal Transduction                                                                                      |
| <b>Target Names</b>                 | SORL1                                                                                                    |
| <b>Tag Info</b>                     | quantitative                                                                                             |
| <b>Protein Length</b>               | Sandwich                                                                                                 |
| <b>Msds</b>                         | {"0":{"fileurl":"https://www.cusabio.com/uploadfile/msds/MSDS CSB-EL022411HU.pdf","filename":"MSDS"}}    |
