

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

# odc1 Antibody

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA5674XA01OET                                                                                    |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                        |
| <b>Uniprot No.</b>         | I3KU18                                                                                               |
| <b>Immunogen</b>           | Recombinant Oreochromis niloticus (Nile tilapia) (Tilapia nilotica) odc1 Antibody protein (60-270aa) |
| <b>Raised In</b>           | Rabbit                                                                                               |
| <b>Species Reactivity</b>  | Oreochromis niloticus (Nile tilapia) (Tilapia nilotica)                                              |
| <b>Tested Applications</b> | ELISA, WB; Recommended dilution: WB:1:500-1:5000                                                     |
| <b>Form</b>                | Liquid                                                                                               |
| <b>Conjugate</b>           | Non-conjugated                                                                                       |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                     |
| <b>Purification Method</b> | >95%, Protein G purified                                                                             |
| <b>Isotype</b>             | IgG                                                                                                  |
| <b>Clonality</b>           | Polyclonal                                                                                           |
| <b>Product Type</b>        | Polyclonal Antibody                                                                                  |
| <b>Immunogen Species</b>   | Oreochromis niloticus (Nile tilapia) (Tilapia nilotica)                                              |
| <b>Target Names</b>        | odc1 Antibody                                                                                        |

## Image

### Western Blot

Positive WB detected in: recombinant protein

All lanes: odc1 Antibody at 1:1000

Secondary

Goat polyclonal to rabbit IgG at 1/50000 dilution

Predicted band size: 25.1 kDa

Observed band size: 26 kDa

## Usage

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
