

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!

# KLRC1 antibody

**Cat. No. GTX04876**

|                    |                         |
|--------------------|-------------------------|
| <b>Host</b>        | Rabbit                  |
| <b>Clonality</b>   | Polyclonal              |
| <b>Isotype</b>     | IgG                     |
| <b>Application</b> | WB, ICC/IF, IHC-P, FACS |
| <b>Reactivity</b>  | Human                   |

**Package**  
200 µl

## APPLICATION

### Application Note

\*Optimal dilutions/concentrations should be determined by the researcher.

| Suggested dilution | Recommended dilution |
|--------------------|----------------------|
| WB                 | 1:2000               |
| ICC/IF             | 1:25                 |
| IHC-P              | 1:50-1:100           |
| FACS               | 1:25                 |

Not tested in other applications.

**Calculated MW** 26 kDa. ( [Note](#) )

## PROPERTIES

|                      |                                                                                                                                                                                                                            |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Form</b>          | Liquid                                                                                                                                                                                                                     |
| <b>Buffer</b>        | PBS                                                                                                                                                                                                                        |
| <b>Preservative</b>  | 0.09% Sodium Azide                                                                                                                                                                                                         |
| <b>Storage</b>       | Store as concentrated solution. Centrifuge briefly prior to opening vial. For short-term storage (1-2 weeks), store at 4°C. For long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. |
| <b>Concentration</b> | Batch dependent (Please refer to the vial label for the specific concentration.)                                                                                                                                           |
| <b>Immunogen</b>     | KLH conjugated synthetic peptide between 180-206 amino acids from the C-terminal region of human KLRC1.                                                                                                                    |
| <b>Purification</b>  | Purified by Protein A followed by antigen-affinity chromatography                                                                                                                                                          |
| <b>Conjugation</b>   | Unconjugated                                                                                                                                                                                                               |

### Note

For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal or human consumption.

Purchasers shall not, and agree not to enable third parties to, analyze, copy, reverse engineer or otherwise attempt to determine the structure or sequence of the product.

## DATA IMAGES

### GTx04876 FACS Image

FACS analysis of 2% PFA fixed Jurkat cells using GTx04876 KLRC1 antibody.

Green line : Primary antibody

Blue line : Isotype control

Dilution : 1:25

### GTx04876 IHC-P Image

IHC-P analysis of human kidney carcinoma tissue using GTx04876 KLRC1 antibody.

### GTx04876 WB Image

WB analysis of Jurkat whole cell lysate using GTx04876 KLRC1 antibody.

Loading : 20 µg

Dilution : 1:2000
