# GLUT5 antibody

**Cat No. GTX47818**

|                    |            |
|--------------------|------------|
| <b>Host</b>        | Rabbit     |
| <b>Clonality</b>   | Polyclonal |
| <b>Isotype</b>     | IgG        |
| <b>Application</b> | WB         |
| <b>Reactivity</b>  | Human      |

**Package**  
100 µg

## APPLICATION

### Application Note

**We recommend the following starting dilutions:**

1:500 for WB

1:150 for IHC

Optimal working dilutions should be determined experimentally by the end user.

**Calculated MW** 55 kDa. ( [Note](#) )

## PROPERTIES

|                     |                                                                                                                                                                                                                            |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Form</b>         | Liquid                                                                                                                                                                                                                     |
| <b>Buffer</b>       | Phosphate/Glycine, pH7.2-7.4                                                                                                                                                                                               |
| <b>Storage</b>      | Store as concentrated solution. Centrifuge briefly prior to opening vial. For short-term storage (1-2 weeks), store at 4°C. For long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. |
| <b>Immunogen</b>    | Synthetic peptide                                                                                                                                                                                                          |
| <b>Purification</b> | Affinity purified using antigen.                                                                                                                                                                                           |
| <b>Conjugation</b>  | Unconjugated                                                                                                                                                                                                               |
| <b>Note</b>         | For laboratory use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal or human consumption.                                                                                   |
