

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

## WAVE1 antibody [HL3445]

Cat. No. GTX641318

|              |                   |
|--------------|-------------------|
| Host         | Rabbit            |
| Clonality    | Monoclonal        |
| Isotype      | IgG               |
| Applications | WB, IHC-P, IHC-Fr |
| Reactivity   | Human, Mouse, Rat |

Package  
100 µl, 25 µl

## Applications

## Application Note

\*Optimal dilutions/concentrations should be determined by the researcher.

| Suggested dilution | Recommended dilution |
|--------------------|----------------------|
| WB                 | 1:500-1:3000         |
| IHC-P              | Assay dependent      |
| IHC-Fr             | Assay dependent      |

Not tested in other applications.

Observed MW (kDa) 75 kDa.

## Properties

|               |                                                                                                                                                                                                                            |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form          | Liquid                                                                                                                                                                                                                     |
| Buffer        | PBS                                                                                                                                                                                                                        |
| Preservative  | No preservatives                                                                                                                                                                                                           |
| Storage       | Store as concentrated solution. Centrifuge briefly prior to opening vial. For short-term storage (1-2 weeks), store at 4°C. For long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. |
| Concentration | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                                                                   |
| Immunogen     | Synthetic peptide of human WAVE1.                                                                                                                                                                                          |
| Purification  | Affinity purified by Protein A.                                                                                                                                                                                            |
| Conjugation   | Unconjugated                                                                                                                                                                                                               |

## Note

For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal or human consumption.

Purchasers shall not, and agree not to enable third parties to, analyze, copy, reverse engineer or otherwise attempt to determine the structure or sequence of the product.

**DATA IMAGES**

**GTx641318 IHC-P Image**

WAVE1 antibody [HL3445] detects WAVE1 protein by immunohistochemical analysis.

Sample: Paraffin-embedded mouse brain.

WAVE1 stained by WAVE1 antibody [HL3445] (GTx641318) diluted at 1:250.

Antigen Retrieval: Citrate buffer, pH 6.0, 15 min

**GTx641318 IHC-P Image**

WAVE1 antibody [HL3445] detects WAVE1 protein by immunohistochemical analysis.

Sample: Paraffin-embedded rat hippocampus.

WAVE1 stained by WAVE1 antibody [HL3445] (GTx641318) diluted at 1:250.

Antigen Retrieval: Citrate buffer, pH 6.0, 15 min

**GTx641318 IHC-P Image**

WAVE1 antibody [HL3445] detects WAVE1 protein by immunohistochemical analysis.

Sample: Paraffin-embedded rat brain.

WAVE1 stained by WAVE1 antibody [HL3445] (GTx641318) diluted at 1:250.

Antigen Retrieval: Citrate buffer, pH 6.0, 15 min

**GTx641318 IHC-P Image**

WAVE1 antibody [HL3445] detects WAVE1 protein by immunohistochemical analysis.

Sample: Paraffin-embedded rat hippocampus.

WAVE1 stained by WAVE1 antibody [HL3445] (GTx641318) diluted at 1:250.

Antigen Retrieval: Citrate buffer, pH 6.0, 15 min

**GTx641318 IHC-P Image**

WAVE1 antibody [HL3445] detects WAVE1 protein by immunohistochemical analysis.

Sample: Paraffin-embedded mouse hippocampus.

WAVE1 stained by WAVE1 antibody [HL3445] (GTx641318) diluted at 1:250.

Antigen Retrieval: Citrate buffer, pH 6.0, 15 min
