

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

### SZABO-SCANDIC HandelsgmbH

Quellenstraße 110, A-1100 Wien

## 2-Chloro-4-nitrophenyl-β-D-maltotrioside

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-137785                                                                                 |
| CAS No.:           | 165522-16-7                                                                               |
| Molecular Formula: | C <sub>24</sub> H <sub>34</sub> ClNO <sub>18</sub>                                        |
| Molecular Weight:  | 659.98                                                                                    |
| Target:            | Biochemical Assay Reagents                                                                |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

|             |                                                                                                                                        |
|-------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Description | 2-Chloro-4-nitrophenyl-β-D-maltotrioside is a chromogenic substrate used in bioluminescent and fluorescent assays to detect α-amylase. |
|-------------|----------------------------------------------------------------------------------------------------------------------------------------|

**Caution: Product has not been fully validated for medical applications. For research use only.**
