

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

## Poly(ethylene glycol) diacrylamide (MW 3700)

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-163990B                                                                                |
| CAS No.:           | 160556-48-9                                                                               |
| Molecular Formula: | $(C_2H_4O)_n C_{10}H_{16}N_2O_3$                                                          |
| Target:            | Biochemical Assay Reagents                                                                |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

|             |                                                                        |
|-------------|------------------------------------------------------------------------|
| Description | Poly(ethylene glycol) diacrylamide (MW 3700) is a biochemical reagent. |
|-------------|------------------------------------------------------------------------|

**Caution: Product has not been fully validated for medical applications. For research use only.**
