

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

### SZABO-SCANDIC HandelsgmbH

Quellenstraße 110, A-1100 Wien

## 2-Carbamoyl-3,5,6-trichloro-4-cyanobenzenesulfonate (sodium)-<sup>13</sup>C<sub>2</sub>,<sup>15</sup>N<sub>2</sub>

|                    |                                                                                                                            |
|--------------------|----------------------------------------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-165694S                                                                                                                 |
| Molecular Formula: | C <sub>6</sub> <sup>13</sup> C <sub>2</sub> H <sub>2</sub> Cl <sub>3</sub> <sup>15</sup> N <sub>2</sub> NaO <sub>4</sub> S |
| Molecular Weight:  | 355.5                                                                                                                      |
| Target:            | Isotope-Labeled Compounds                                                                                                  |
| Pathway:           | Others                                                                                                                     |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis.                                  |

### BIOLOGICAL ACTIVITY

|             |                                                                                                                                                                                                                                                        |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description | 2-Carbamoyl-3,5,6-trichloro-4-cyanobenzenesulfonate (sodium)- <sup>13</sup> C <sub>2</sub> , <sup>15</sup> N <sub>2</sub> is <sup>13</sup> C and <sup>15</sup> N labeled 2-Carbamoyl-3,5,6-trichloro-4-cyanobenzenesulfonate (sodium) <sup>[1]</sup> . |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
