

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

## PLLA6000-PEG4000-PLLA6000

|           |                                                                                           |
|-----------|-------------------------------------------------------------------------------------------|
| Cat. No.: | HY-167132                                                                                 |
| Target:   | Biochemical Assay Reagents                                                                |
| Pathway:  | Others                                                                                    |
| Storage:  | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

#### Description

PLLA6000-PEG4000-PLLA6000 is an amphiphilic triblock polymer based on polylactic acid derivatives that improves the specificity and cell affinity of PLA-based biomaterials. PLLA6000-PEG4000-PLLA6000 can be used in drug delivery research<sup>[1]</sup>.
