

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

## D-myo-Inositol,1,5,6-tris(dihydrogen phosphate),ammonium salt

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-167241                                                                                 |
| CAS No.:           | 135027-58-6                                                                               |
| Molecular Formula: | $C_6H_{15}O_{15}P_3 \cdot xH_3N$                                                          |
| Target:            | Biochemical Assay Reagents                                                                |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

| Description | D-myo-Inositol,1,5,6-tris(dihydrogen phosphate),ammonium salt is a biochemical reagent. |
