

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

### SZABO-SCANDIC Handels GmbH

Quellenstraße 110, A-1100 Wien

## 2,4-Dichloro-7H-pyrrolo[2,3-d]pyrimidine

|                    |                                                                                                |
|--------------------|------------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-40350                                                                                       |
| CAS No.:           | 90213-66-4                                                                                     |
| Molecular Formula: | C <sub>6</sub> H <sub>3</sub> Cl <sub>2</sub> N <sub>3</sub>                                   |
| Molecular Weight:  | 188.01                                                                                         |
| Target:            | Biochemical Assay Reagents                                                                     |
| Pathway:           | Others                                                                                         |
| Storage:           | 4°C, protect from light<br>* In solvent : -80°C, 6 months; -20°C, 1 month (protect from light) |

### SOLVENT & SOLUBILITY

|          |                                            |
|----------|--------------------------------------------|
| In Vitro | H <sub>2</sub> O : < 0.1 mg/mL (insoluble) |
|----------|--------------------------------------------|

### BIOLOGICAL ACTIVITY

|             |                                                                                                                                                                    |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description | 2,4-Dichloro-7H-pyrrolo[2,3-d]pyrimidine is a biochemical reagent that can be used as a biological material or organic compound for life science related research. |
| In Vitro    | 90213-66-4 Tofacitinib Impurity 08 Reference Substance<br>MCE has not independently confirmed the accuracy of these methods. They are for reference only.          |

**Caution: Product has not been fully validated for medical applications. For research use only.**
