

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

## BODIPY FL C5-HPC

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-D1613                                                                                  |
| CAS No.:           | 161106-88-3                                                                               |
| Molecular Formula: | $C_{40}H_{67}BF_2N_3O_8P$                                                                 |
| Molecular Weight:  | 797.76                                                                                    |
| Target:            | Fluorescent Dye                                                                           |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

## BIOLOGICAL ACTIVITY

### Description

BODIPY FL C5-HPC is a lipophilic green fluorescent dye (Ex/Em: 500/510 nm)<sup>[1]</sup>.
