

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

### SZABO-SCANDIC HandelsgmbH

## Diacetinase, bacillus subtilis

|           |                                                                                           |                                |
|-----------|-------------------------------------------------------------------------------------------|--------------------------------|
| Cat. No.: | HY-E70409                                                                                 |                                |
| Target:   | Endogenous Metabolite                                                                     |                                |
| Pathway:  | Metabolic Enzyme/Protease                                                                 |                                |
| Storage:  | Please store the product under the recommended conditions in the Certificate of Analysis. | Diacetinase, bacillus subtilis |

### BIOLOGICAL ACTIVITY

#### Description

Diacetinase, Bacillus subtilis is a member of the esterase family and is responsible for catalyzing the hydrolysis of diacetin. This enzyme is used in the measurement of lipase activity<sup>[1]</sup>.
