

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

### SZABO-SCANDIC Handels GmbH

Quellenstraße 110, A-1100 Wien

## Human CYP3A4,Low-Reductase

|           |                                                                                           |                                                      |
|-----------|-------------------------------------------------------------------------------------------|------------------------------------------------------|
| Cat. No.: | HY-E70464                                                                                 |                                                      |
| Target:   | Cytochrome P450                                                                           |                                                      |
| Pathway:  | Metabolic Enzyme/Protease                                                                 |                                                      |
| Storage:  | Please store the product under the recommended conditions in the Certificate of Analysis. | Human CYP <sub>3</sub> A <sub>4</sub> ,Low-Reductase |

### BIOLOGICAL ACTIVITY

|             |                                                                                                                                 |
|-------------|---------------------------------------------------------------------------------------------------------------------------------|
| Description | Human CYP3A4, Low-Reductase, a recombinant CYP3A4, is a multifunctional enzyme with a wide range of substrates <sup>[1]</sup> . |
|-------------|---------------------------------------------------------------------------------------------------------------------------------|
