

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

### SZABO-SCANDIC HandelsgmbH

Quellenstraße 110, A-1100 Wien

## Methyllicberine

|                    |                                                                                               |
|--------------------|-----------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-N7564                                                                                      |
| CAS No.:           | 51168-26-4                                                                                    |
| Molecular Formula: | C <sub>9</sub> H <sub>12</sub> N <sub>4</sub> O <sub>3</sub>                                  |
| Molecular Weight:  | 224.22                                                                                        |
| Target:            | Others                                                                                        |
| Pathway:           | Others                                                                                        |
| Storage:           | <div>Powder -20°C 3 years</div> <div>In solvent -80°C 6 months</div> <div>-20°C 1 month</div> |

### BIOLOGICAL ACTIVITY

|             |                                                                                                 |
|-------------|-------------------------------------------------------------------------------------------------|
| Description | Methyllicberine is a purine alkaloid metabolite of caffeine with oral activity <sup>[1]</sup> . |
|-------------|-------------------------------------------------------------------------------------------------|
