

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!

## Benzy(phenyl)sulfane-d<sub>2</sub>

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-W014888S                                                                               |
| CAS No.:           | 2845106-76-3                                                                              |
| Molecular Formula: | C <sub>13</sub> H <sub>10</sub> D <sub>2</sub> S                                          |
| Molecular Weight:  | 202.31                                                                                    |
| Target:            | Isotope-Labeled Compounds                                                                 |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

#### Description

Benzy(phenyl)sulfane-d<sub>2</sub> (Benzyl phenyl sylphide-d<sub>2</sub>) is the deuterium labeled Benzyl(phenyl)sulfane (HY-W014888)<sup>[1]</sup>.
