

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

## 4-(N-Succinimidylcarboxy)benzophenone

|                    |                                                 |       |          |
|--------------------|-------------------------------------------------|-------|----------|
| Cat. No.:          | HY-W123023                                      |       |          |
| CAS No.:           | 91990-88-4                                      |       |          |
| Molecular Formula: | C <sub>18</sub> H <sub>13</sub> NO <sub>5</sub> |       |          |
| Molecular Weight:  | 323.3                                           |       |          |
| Target:            | Biochemical Assay Reagents                      |       |          |
| Pathway:           | Others                                          |       |          |
| Storage:           | Powder                                          | -20°C | 3 years  |
|                    | In solvent                                      | -80°C | 6 months |
|                    |                                                 | -20°C | 1 month  |

### BIOLOGICAL ACTIVITY

|             |                                                                 |
|-------------|-----------------------------------------------------------------|
| Description | 4-(N-Succinimidylcarboxy)benzophenone is a biochemical reagent. |
|-------------|-----------------------------------------------------------------|

**Caution: Product has not been fully validated for medical applications. For research use only.**
