

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

### SZABO-SCANDIC HandelsgmbH

Quellenstraße 110, A-1100 Wien

## Potassium tetrakis(4-chlorophenyl)borate

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-W279223                                                                                |
| CAS No.:           | 14680-77-4                                                                                |
| Molecular Formula: | C <sub>24</sub> H <sub>16</sub> BCl <sub>4</sub> K                                        |
| Molecular Weight:  | 496.11                                                                                    |
| Target:            | Drug Derivative                                                                           |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

| Description | Potassium tetrakis(4-chlorophenyl)borate is an active compound. |
|-------------|-----------------------------------------------------------------|
|-------------|-----------------------------------------------------------------|
