

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

### SZABO-SCANDIC HandelsgmbH

Quellenstraße 110, A-1100 Wien

## Phenolphthalein (disodium), 95%

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-W342120                                                                                |
| CAS No.:           | 518-51-4                                                                                  |
| Molecular Formula: | $C_{20}H_{12}Na_2O_4$                                                                     |
| Molecular Weight:  | 362.29                                                                                    |
| Target:            | Biochemical Assay Reagents                                                                |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

|             |                                                    |
|-------------|----------------------------------------------------|
| Description | Phenolphthalein (disodium), 95% is a pH indicator. |
|-------------|----------------------------------------------------|

**Caution: Product has not been fully validated for medical applications. For research use only.**
