

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!

## 4-Methylumbelliferyl 2-Amino-2-deoxy- $\alpha$ -D-glucopyranoside

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-W416240                                                                                |
| CAS No.:           | 137687-00-4                                                                               |
| Molecular Formula: | C <sub>16</sub> H <sub>19</sub> NO <sub>7</sub>                                           |
| Molecular Weight:  | 337.32                                                                                    |
| Target:            | Biochemical Assay Reagents                                                                |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

| Description | 4-Methylumbelliferyl 2-Amino-2-deoxy- $\alpha$ -D-glucopyranoside is a biochemical assay reagent. |
