

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

## Hyaluronate decasaccharide

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-W540662                                                                                |
| CAS No.:           | 57282-62-9                                                                                |
| Molecular Formula: | C <sub>70</sub> H <sub>107</sub> N <sub>5</sub> O <sub>56</sub>                           |
| Molecular Weight:  | 1914.6                                                                                    |
| Target:            | Biochemical Assay Reagents                                                                |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

| Description | Hyaluronate decasaccharide is a biochemical reagent. |
|-------------|------------------------------------------------------|
|-------------|------------------------------------------------------|

**Caution: Product has not been fully validated for medical applications. For research use only.**
