## Poly-L-glutamic acid sodium salt (MW 15000)

|           |                                                                                                                                  |
|-----------|----------------------------------------------------------------------------------------------------------------------------------|
| Cat. No.: | HY-W596474C                                                                                                                      |
| CAS No.:  | 26247-79-0                                                                                                                       |
| Target:   | Biochemical Assay Reagents                                                                                                       |
| Pathway:  | Others                                                                                                                           |
| Storage:  | -20°C, sealed storage, away from moisture<br>* In solvent : -80°C, 6 months; -20°C, 1 month (sealed storage, away from moisture) |

### BIOLOGICAL ACTIVITY

#### Description

Poly-L-glutamic acid sodium salt (MW 15000) is a kind of biochemical reagent.

**Caution: Product has not been fully validated for medical applications. For research use only.**
