

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

## Pirquinozol

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-W721659                                                                                |
| CAS No.:           | 65950-99-4                                                                                |
| Molecular Formula: | C <sub>11</sub> H <sub>9</sub> N <sub>3</sub> O <sub>2</sub>                              |
| Molecular Weight:  | 215.21                                                                                    |
| Target:            | Drug Intermediate                                                                         |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

#### Description

Pirquinozol (SQ 13,847) is an orally active anti-allergy agent. Pirquinozol is converted to the oxidation metabolite SQ 12,903, which can exert the maximum activity. Pirquinozol inhibits bronchospasm in rats<sup>[1]</sup>.
