

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

### SZABO-SCANDIC HandelsgmbH

Quellenstraße 110, A-1100 Wien

## 5-Chloro-1-(β-D-arabinofuranosyl)cytidine

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-W788728                                                                                |
| CAS No.:           | 17676-65-2                                                                                |
| Molecular Formula: | C <sub>9</sub> H <sub>12</sub> ClN <sub>3</sub> O <sub>5</sub>                            |
| Molecular Weight:  | 277.66                                                                                    |
| Target:            | Biochemical Assay Reagents                                                                |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

|             |                                                                             |
|-------------|-----------------------------------------------------------------------------|
| Description | 5-Chloro-1-(β-D-arabinofuranosyl)cytidine is a kind of biochemical reagent. |
|-------------|-----------------------------------------------------------------------------|
