

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

## Hedgehog IN-8

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-W838042                                                                                |
| CAS No.:           | 314041-83-3                                                                               |
| Molecular Formula: | C <sub>19</sub> H <sub>17</sub> ClN <sub>2</sub> O <sub>2</sub> S <sub>2</sub>            |
| Molecular Weight:  | 404.93                                                                                    |
| Target:            | Others                                                                                    |
| Pathway:           | Others                                                                                    |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

|             |                                                                                       |
|-------------|---------------------------------------------------------------------------------------|
| Description | Hedgehog IN-8 effectively inhibits hedgehog signaling and phosphodiesterase activity. |
|-------------|---------------------------------------------------------------------------------------|
