|     |                                     | Section 4. First Aid Measures   |
|-----|-------------------------------------|---|
| 4.1 | Description of First Aid            |   |
|     | Measures:                           |   |
|     | In Case of Inhalation:              | Remove to fresh air. If not breathing, give artificial respiration or give oxygen by trained personnel.<br>Get immediate medical attention.   |
|     | In Case of Skin Contact:            | Immediately wash skin with soap and plenty of water for at least 15 minutes. Remove contaminated clothing. Get medical attention if symptoms occur. Wash clothing before reuse.                             |
|     | In Case of Eye Contact:             | Hold eyelids apart and flush eyes with plenty of water for at least 15 minutes. Have eyes examined and tested by medical personnel.   |
|     | In Case of Ingestion:               | Wash out mouth with water provided person is conscious. Never give anything by mouth to an unconscious person. Get medical attention. Do NOT induce vomiting unless directed to do so by medical personnel. |
|     |                                     | Section 5. Fire Fighting Measures   |
| 5.1 | Suitable Extinguishing              | Use alcohol-resistant foam, carbon dioxide, water, or dry chemical spray.   |
|     | Media:                              | Use water spray to cool fire-exposed containers.  |
|     | Unsuitable Extinguishing<br>Media:  | g A solid water stream may be inefficient.  |
| 5.2 | Flammable Properties an<br>Hazards: | I <b>d</b> No data available.   |
|     |                                     | No data available.  |
|     | Flash Pt:                           | No data.  |
|     | Explosive Limits:                   | LEL: No data. UEL: No data.   |
|     | Autoignition Pt:                    | No data.  |
| 5.3 | Fire Fighting Instructions          | s: As in any fire, wear self-contained breathing apparatus pressure-demand (NIOSH approved or equivalent), and full protective gear to prevent contact with skin and eyes.                                  |
|     |                                     | Section 6. Accidental Release Measures  |
| 6.1 | Protective Precautions,             | Avoid raising and breathing dust, and provide adequate ventilation.   |
|     | Protective Equipment an             | d As conditions warrant, wear a NIOSH approved self-contained breathing apparatus, or respirator,   |
|     | Emergency Procedures:               | and appropriate personal protection (rubber boots, safety goggles, and heavy rubber gloves).  |
| 6.2 | Environmental<br>Precautions:       | Take steps to avoid release into the environment, if safe to do so.   |
| 6.3 | Methods and Material Fo             | r Contain spill and collect, as appropriate.  |
|     | Containment and Cleanir             | ngTransfer to a chemical waste container for disposal in accordance with local regulations.   |
|     | Up:                                 |   |
|     |                                     | Section 7. Handling and Storage   |
| 7.1 | Precautions To Be Taker             | Avoid breathing dust/fume/gas/mist/vapours/spray.   |
|     | in Handling:                        | Avoid prolonged or repeated exposure.   |
| 7.2 | Precautions To Be Taker             | NKeep container tightly closed.   |
|     | in Storing:                         | Store in accordance with information listed on the product insert.  |
|     | Sec                                 | tion 8. Exposure Controls/Personal Protection   |
| 8.1 | Exposure Parameters:                |   |
|     |                                     |   |
