1. Identification of substance and manufacturer/supplier

Product name: Milenia GEnLine HybriDetect MGHD 1

Manufacturer/supplier: Milenia Biotec GmbH

Versailler Straße 1, 35394 Gießen (Deutschland) Telefon: 0641-94 888 3-0, Telefax: 0641-94 888 3-80

E-mail: info@milenia-biotec.de, Internet: http://www.milenia-biotec.de

Emergency Call: see your local poison information center!

2. Composition/Data on components

Desription: In-vitro-Diagnostic reagents

Haardous ingredients: none

CAS-Nr.	EG-Nr.	Description	component	Conc	Indexing
26628-22-8	247-852-1	Natriumazid	MGCB	< 0,05%	

Additional informations: None

3. Hazard information

Hazard description: N/A

Information concerning to particular

hazards to man and environment: N/A

Classification system: N/A

4. First aid measures

General information: none

after inhalation: N/A

after skin contact: wash thoroughly with water

after eye contact: N/A

after swallowing: N/A

5. Fire fighting measures

Suitable extinguishing measures: N/A

Special protective equipment for fire fighting: no spezial measures required

Material Safety Data Sheet according 91/155/EWG

SDBD-MGHD 1

6. Accidential release measures

Person-related safety precautions: not required

Measures for environmental protection: not required

Measures for cleaning/collecting: N/A

7. Handling and storage

Handling

Information for safe handling:no special measures required

Information about fire and explosion protection: no special measures required

Storage

Requirements to be met by

storage rooms and receptacles: no special measures required

Information about storage in

one common storage facility:

no special requirements

Further information about

storage conditions: not required

Class according to regulation

on flammable liquids: not applicable

8. Exposure controls and presonal protection gear

Addition information about design of technical

facilities: not required

Ingedients with limit values that require monitoring

at the workplace: not required

Personal protective equipment

General protective and hygiene Keep away from foodstuffs and beverages.

measures: Wash hands before breaks and a the end of the

working day.

Respiratory protection: not required

Protection of hands:Wearing of protective gloves is recommended.

Eye protection: During refilling wearing of goggles is recommended.

Material Safety Data Sheet according 91/155/EWG

SDBD-MGHD 1

9. Physical and chemical properties

	Komponente
	MGCB
Form	liquid
colour	none
Odour characteristics	No odour
Melting point/range	N/A
Boiling point/range	N/A
Freezing point/range	N/A
Ignition temperature	N/A
Self ignition	N/A
Flash point	N/A
Danger of explosion	N/A
Explosion limits	N/A
Relative vapour density 20°C	Not available
Densitiy at 20°C	Not available
Solubility in water at 20°C	Fully miscible

10. Stability and reactivity

Thermal decomposition/

conditions to be avoided: no decomposition if used according to specifications.

Dangereous reactions: no dangereous reactions known

Dangereous decomposition products: no dangereous decomposition products known

11. Toxicological information

Primary irritant effect on the skin: no irritant effect on the eye: no irritant effect

Sensitization: no sensitizing effects known

Additional toxicological information:

The products shows the following dangers according to the calculation method of the General Eu Classification Guidelines for Preparations as issued in the latest version: **none**

12. Ecological information

General notes None

Material Safety Data Sheet according 91/155/EWG

SDBD-MGHD 1

13. **Disposal considerations**

Product – Recommandation: Must not be composed together with household garbage.

Do not allow product to teach sewage system.

no constraints

Uncleaned packaging-

Recommandation: Disposal must be made according to official regulations.

14. **Transport information**

Land transport ADR-RID und GGVS/GGVE

(international/national): no constraints Maritime transport IMDG/GGVSee:

Air transport ICAO-TI and IATA-DGR: no constraints

Regulations **15**.

Labeling according to EC Directives:

The product has been classified and marked in accordance with EU Directives/Ordinance on Hazardous Materials

Code letter and hazard designation of product: N/A

Hazard determining components on labeling: N/A

Risk (R) phrases: N/A

Safety (S) phrases: N/A

National Regulations

Classification according to VbF: N/A

immision hazard class: N/A

Water hazard class: N/A

16. Other information

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
