

# Pheophorbide a: sc-264070

The Power to Question

## MATERIAL SAFETY DATA SHEET

### 1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND COMPANY INFORMATION

**Catalog Number:** sc-264070

**Product Name:** Pheophorbide a

**Supplier:**

Santa Cruz Biotechnology, Inc.  
2145 Delaware Avenue  
Santa Cruz, California 95060  
800.457.3801 or 831.457.3800

**Emergency:**

ChemWatch  
Within the US & Canada: 877-715-9305  
Outside the US & Canada: +800 2436 2255  
(1-800-CHEMCALL) or call +613 9573 3112

### 2. COMPOSITION/INFORMATION ON INGREDIENTS

| Components     | CAS Number | Weight %  | ACGIH Exposure Limits: | OSHA Exposure Limits: |
|----------------|------------|-----------|------------------------|-----------------------|
| PHEOPHORBIDE A | 15664-29-6 | 90 - 100% | None                   | None                  |

### 3. HAZARDS IDENTIFICATION

**EMERGENCY OVERVIEW:** May cause skin irritation and/or dermatitis

**Principle routes of exposure:** Skin

**Inhalation:** May cause irritation of respiratory tract

**Ingestion:** May be harmful if swallowed.

**Skin contact:** May cause allergic skin reaction

**Eye contact:** Avoid contact with eyes

**Statements of hazard** MAY CAUSE ALLERGIC SKIN REACTION.

**Statement of Spill or Leak - ANSI Label** Eliminate all ignition sources. Absorb and/or contain spill with inert materials (e.g., sand, vermiculite). Then place in appropriate container. For large spills, use water spray to disperse vapors, flush spill area. Prevent runoff from entering waterways or sewers.

### 4. FIRST AID MEASURES

**General advice:** In the case of accident or if you feel unwell, seek medical advice immediately (show the label where possible).

**Inhalation:** Move to fresh air. Call a physician immediately.

**Skin contact:** Rinse immediately with plenty of water and seek medical advice

**Ingestion:** Do not induce vomiting without medical advice.

**Eye contact:** In the case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

**Protection of first-aiders:** No information available

**Medical conditions aggravated by exposure:** None known

### 5. FIRE FIGHTING MEASURES

**Suitable extinguishing media:**

**Specific hazards:**

**Unusual hazards:**

**Special protective equipment for firefighters:**

Use dry chemical, CO<sub>2</sub>, water spray or "alcohol" foam

Burning produces irritant fumes.

None known

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear

Water mist may be used to cool closed containers.

**Specific methods:**

**Flash point:**

Not determined

**Autoignition temperature:**

Not determined

**NFPA rating:**

|                    |   |
|--------------------|---|
| NFPA Health:       | 1 |
| NFPA Flammability: | 1 |
| NFPA Reactivity:   | 0 |

## 6. ACCIDENTAL RELEASE MEASURES

|                                   |                                                            |
|-----------------------------------|------------------------------------------------------------|
| <b>Personal precautions:</b>      | Use personal protective equipment.                         |
| <b>Environmental precautions:</b> | Prevent product from entering drains.                      |
| <b>Methods for cleaning up:</b>   | Sweep up and shovel into suitable containers for disposal. |

## 7. HANDLING AND STORAGE

|                               |                                                                 |
|-------------------------------|-----------------------------------------------------------------|
| <b>Storage:</b>               | +4°C<br>PROTECT FROM LIGHT                                      |
| <b>Handling:</b>              | Use only in area provided with appropriate exhaust ventilation. |
| <b>Safe handling advice:</b>  | Wear personal protective equipment.                             |
| <b>Incompatible products:</b> | Oxidising and spontaneously flammable products                  |

## 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

**Engineering measures:** Ensure adequate ventilation.

### PERSONAL PROTECTIVE EQUIPMENT

**Respiratory protection:** Breathing apparatus only if aerosol or dust is formed.

**Hand protection:** Pvc or other plastic material gloves

**Skin and body protection:** Usual safety precautions while handling the product will provide adequate protection against this potential effect.

**Eye protection:** Safety glasses with side-shields

**Hygiene measures:** Handle in accordance with good industrial hygiene and safety practice.

## 9. PHYSICAL AND CHEMICAL PROPERTIES

|                                  |                                 |
|----------------------------------|---------------------------------|
| <b>Physical state:</b>           | Powder                          |
| <b>Formula:</b>                  | C35H36N4O5                      |
| <b>Molecular weight:</b>         | 592.69                          |
| <b>Melting point/range:</b>      | No data available at this time. |
| <b>Boiling point/range:</b>      | No Data available at this time. |
| <b>Density:</b>                  | No data available               |
| <b>Vapor pressure:</b>           | No data available               |
| <b>Evaporation rate:</b>         | No data available               |
| <b>Vapor density:</b>            | No data available               |
| <b>Solubility (in water):</b>    | No data available               |
| <b>Flash point:</b>              | Not determined                  |
| <b>Autoignition temperature:</b> | Not determined                  |

## 10. STABILITY AND REACTIVITY

|                                          |                                                     |
|------------------------------------------|-----------------------------------------------------|
| <b>Stability:</b>                        | Stable under recommended storage conditions.        |
| <b>Polymerization:</b>                   | None under normal processing.                       |
| <b>Hazardous decomposition products:</b> | Nitrogen oxides (NOx)/ammonia/CN-                   |
| <b>Materials to avoid:</b>               | Strong oxidising agents                             |
| <b>Conditions to avoid:</b>              | Exposure to air or moisture over prolonged periods. |

## 11. TOXICOLOGICAL INFORMATION

### Product Information

#### Acute toxicity

Components  
PHEOPHORBIDE A

**RTECS Number:**  
Not Available

**Selected LD50s and LC50s**  
Not Determined

|                          |                                                                                                                 |
|--------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Chronic toxicity:</b> | Chronic exposure may cause nausea and vomiting, higher exposure causes unconsciousness.                         |
| <b>Local effects:</b>    | Symptoms of overexposure may be headache, dizziness, tiredness, nausea and vomiting.                            |
| <b>Specific effects:</b> | May include moderate to severe erythema (redness) and moderate edema (raised skin), nausea, vomiting, headache. |

|                               |                                             |
|-------------------------------|---------------------------------------------|
| <b>Primary irritation:</b>    | No data is available on the product itself. |
| <b>Carcinogenic effects:</b>  | No data is available on the product itself. |
| <b>Mutagenic effects:</b>     | No data is available on the product itself. |
| <b>Reproductive toxicity:</b> | No data is available on the product itself. |

## 12. ECOLOGICAL INFORMATION

|                             |                                                                 |
|-----------------------------|-----------------------------------------------------------------|
| <b>Mobility:</b>            | No data available                                               |
| <b>Bioaccumulation:</b>     | No data available                                               |
| <b>Ecotoxicity effects:</b> | No data available                                               |
| <b>Aquatic toxicity:</b>    | May cause long-term adverse effects in the aquatic environment. |

|                   |                                                |                                                         |                                               |

#### SARA 313 Notification:

The above is your notification as to the SARA 313 listing for this product(s) pursuant to Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

If you are unsure if you are subject to the reporting requirements of Section 313, or need more information, please call the EPA Emergency Planning and Community Right-To-Know Information Hotline: (800) 535-0202 or (202) 479-2499 (in Washington, DC or Alaska).

#### State Notification:

The above information is your notice as to the Right-to-Know listings of the stated product(s). Individual states will list chemicals for a variety of reasons including, but not limited to, the compounds toxicity; carcinogenic, tumorigenic and/or reproductive hazards; and the compounds environmental impact if accidentally released.

## 16. OTHER INFORMATION

*The above information is believed to be correct but does not purport to be complete and should be used only as a guide. The burden of safe use of this material rests entirely with the user.*
