CD36 Pre-design Chimera RNAi

Catalog # : H00000948-R06

規格 : [10 nmol] [20 nmol]

List All

Specification

Product Description: Homo sapiens CD36 antigen (collagen type I receptor, thrombospondin receptor) (CD36), transcript variant 1, mRNA.

Reactivity: Human

Supplied Product: DEPC water

Target Refseq: NM_001001548

Target Region: Coding sequence

Storage Instruction: Store at -20°C, do not exceed 4 - 5 freeze-thaw cycles to ensure product integrity.

Note: Position of the Chimera RNAi.
The related RNAi products listed below were designed from different accession number but sharing the same RNAi sequence.

Application Image

RNAi Knockdown

Applications

RNAi Knockdown

Gene Information

Entrez GeneID: [948](#)

Gene Name: CD36

Gene Alias: CHDS7,FAT,GP3B,GP4,GPIV,PASIV,SCARB3

Gene Description: CD36 molecule (thrombospondin receptor)

Omim ID: [173510](#), [248310](#), [608404](#), [610938](#), [611162](#)

Gene Ontology: [Hyperlink](#)

Gene Summary: The protein encoded by this gene is the fourth major glycoprotein of the platelet surface and serves as a receptor for thrombospondin in platelets and various cell lines. Since thrombospondins are widely distributed proteins involved in a variety of adhesive processes, this protein may have important functions as a cell adhesion molecule. It binds to collagen, thrombospondin, anionic phospholipids and oxidized LDL. It directly mediates cytoadherence of Plasmodium falciparum parasitized erythrocytes and it binds long chain fatty acids and may function in the transport and/or as a regulator of fatty acid transport. Mutations in this gene cause platelet glycoprotein deficiency. Multiple alternatively spliced transcript variants encoding the same protein have been found for this gene. [provided by RefSeq]

Other Designations: CD36 antigen,CD36 antigen (collagen type I receptor, thrombospondin receptor),PAS-4 protein,cluster determinant 36,fatty acid translocase,glycoprotein IIIb,leukocyte differentiation antigen CD36,platelet glycoprotein IV,scavenger receptor class B, member
